Dear:

How would you like to become part of Wings of Eagles Therapeutic Horseback Riding Center? This is a place where obstacles are overcome, doubt is defeated and the exhilaration of victory is felt. It is a place where children and adults with special needs come to ride a horse and learn to manage these majestic animals on their own.

Founded in 1999 and located in Concord, NC, Wings of Eagles Ranch, a non-profit 501(c)(3) corporation, offers horseback-riding lessons to people with special needs. Due to tremendous program growth, but limited funding growth, this year, for the first time, a program charge is being initiated. Approximately 20% of our riders will not be able to afford this charge; another 50 % will only be able to pay a portion of that fee. Won't you consider sponsoring one or more riders?

The cost for an 8-week session is \$160 per rider. A donation of \$500 will sponsor 3 riders and buy 2 bags of feed for the mighty steed that carries them. Donations can be mailed to:

Wings of Eagles Ranch
4800 Thunderbolt Road
Concord, NC 28025

Please note on your check that this donation is for the "Rider Scholarship Program". If you are donating for a specific rider, please note that rider's name as well.

Thank you for being part of the victory!
