123 Look & see

Look what you can do for me!
I don't want no stuffy books,
Nothing with a fancy look,
No cowboy boots nor Stetson hat,
Let me tell you where it's at.

See me on this prancing horse
This is what I desire most
My four-legged friend is there for me
His steady gait sets me free
Of any disability
So see me soar and hear me roar
Help me to ride forevermore.
